## 2025 Annual Gala

The Hope Springs Eternal Gala unites a remarkable community of supporters, all driven by a shared purpose, to uplift and empower mothers and babies on their path toward recovery and stability.

Throughout the evening, heartfelt stories and moments of connection remind us of the profound impact compassion can create. Thanks to the generosity of our sponsors, donors, and attendees, we're able to continue providing vital housing, resources, and care for families in need.

# WHERE HOPE BECOMES UNBREAKABLE

Empowering women to be successful in recovery.

**WE BELIEVE** every woman struggling with substance use disorder should have access to the treatment method that matches their needs in a setting that is safe, nurturing and inspiring. We believe that by providing a safe home with comprehensive addiction treatment services, family therapy, parenting classes, advancement in education and life coaching, we will support families in their recovery from addiction. We believe that women who complete treatment and embrace sobriety with an enriched self-esteem, a healthy and supportive network of mentors and others in recovery and a tool belt full of life skills, will achieve sustained sobriety.

**OUR MISSION** is to support recovery and nurture the health and wellbeing of pregnant and parenting women with substance use disorder and their children by ensuring access to quality treatment and services.

**WE PROVIDE** gender-responsive residential, outpatient and recovery support substance use disorder services for pregnant, post-partum and parenting women in NH. We also provide recovery support housing for women and their children as well as case-coordination for women seeking resources and support on their journey to access treatment and recovery support services.

They changed the person I am today and reminded me to let

go of the past, live in the present and don't trip in the future. - **Kristina**
